PRIVATE SPONSOR TRAVEL CERTIFICATION FORM

This form must be completed by any private entity offering to provide travel or reimbursement for travel to Senate Members, officers, or employees (Senate Rule 35, clause 2). Each sponsor of a fact-finding trip must sign the completed form. The trip sponsor(s) must provide a copy of the completed form to each invited Senate traveler, who will then forward it to the Ethics Committee with any other required materials. The trip sponsor(s) should **NOT** submit the form directly to the Ethics Committee. Please consult the accompanying instructions for more detailed definitions and other key information.

The Senate Member, officer, or employee MUST also provide a copy of this form, along with the appropriate travel authorization and reimbursement form, to the Office of Public Records (OPR), Room 232 of the Hart Building, within thirty (30) days after the travel is completed.

13. Briefly describe the stated mission of each sponsor and how the purpose of the trip relates to that mission:

Iowa Renewable Fuels Association works to improve the economic viability and growth of the renewable fuels industry in Iowa, and supports the Tour to help improve biofuels policy and regulations.

National Biodiesel Foundation works to support and promote outreach, education, science, and demonstration activities for the advancement of biodiesel and its co-products to improve national security, air quality and the environment, and supports the Tour so policy makers can learn about biodiesel production.

Renewable Fuels Foundation works to meet the education, research, and strategic planning needs of the U.S. fuel ethanol industry, and supports the Tour to policy makers will better understand the role ethanol can play in our national energy policy.

Iowa Corn Growers Association works to support agricultural issues on behalf of members; whose mission is to create opportunities for lowa corn grower profitability, and supports the Tour because growing value-added markets like biofuels vital to their members' future.

Iowa Soybean Association works to expand opportunities and deliver results for Iowa soybean farmers, and supports the Tour because growing value-added markets like biofuels vital to their members' future.

Iowa Biodiesel Board represents the biodiesel industry in Iowa, from production through distribution to end users; promoting the commercial success of biodiesel in Iowa, and supports the Tour to help improve biofuels policy and regulations.

Missouri Corn Growers Association works to support agricultural issues on behalf of its members, including promoting the production and use of renewable fuels, and supports the Tour because growing value-added markets like biofuels vital to their members' future.

North Dakota Ethanol Council brings together ethanol producers in North Dakota to help grow production and demand for ethanol, and supports the Tour to help improve biofuels policy and regulations.

Kansas Renew: brings together ethanol producers in Kansas to help grow production and demand for ethanol, and supports the Tour to help improve biofuels policy and regulations.

Farm Credit Services of America is a mission-driven financial cooperative, uniquely positioned to serve farmers, ranchers and rural Americans with a powerful business model, and supports the Tour because they finance renewable energy projects and have an overall concern regarding the economic health of rural America.

Renewable Fuels Nebraska: brings together ethanol producers in Nebraska to help grow production and demand for ethanol, and supports the Tour to help improve biofuels policy and regulations.

Kansas Soybean Association serves as the voice and advocate for soybean-farmer-members, including expanding public awareness of the soybean markets, and supports the Tour because growing value-added markets like biofuels vital to their members' future.

Ames Chamber of Commerce strives to make Ames a better place to live, work, and do business by strengthening the economic vitality and the quality of life in the Ames community, and supports the Tour because a growing bioeconomy is central to the economic health of the Ames area.

Golden Grain Energy is a locally controlled business enterprise providing farmers and local investors with the chance to extract added value through ownership of an ethanol processing plant that can convert corn to higher value products, and supports the Tour to help improve biofuels policy and regulations.

Iowa Biotechnology Association seeks to promote the success and growth of biotech-based business in Iowa, ultimately securing our strong biotech economy while growing our business & increasing our influence nationally and around the globe, and supports the Tour to help improve biofuels policy and regulations.

Association Motor Club Marketing is on a mission to make the roadside a safer place when that unexpected happens. Given their wealth of customer data, AMCM endorses the use of renewable fuels and works to educate consumers about their benefits, and supports the Tour as an opportunity to educate policy-makers and regulators about the true operational benefits of biofuels.

14. Briefly describe each sponsor's prior history of sponsoring congressional trips:

Iowa Renewable Fuels Association and Renewable Fuels Foundation have hosted the past 8 years' Biofuels: Science and Sustainability Tours.

National Biodiesel Foundation and Iowa Corn Growers Association have occasionally hosted congressional briefings, including the past 6 years' Biofuels: Science and Sustainability Tours.

Iowa Soybean Association and Iowa Biodiesel Board have occasionally hosted congressional briefings, including 4 previous Biofuels: Science and Sustainability Tours.

Missouri Corn Growers Association and Kansas Soybean Association have occasionally hosted congressional briefings, including the previous 2 years' Biofuels: Science and Sustainability Tour.

Renew Kansas and North Dakota Ethanol Council have sponsored the past 2 years' Biofuels: Science and Sustainability Tour.

Renewable Fuels Nebraska, Golden Grain Energy and Farm Credit Services of America sponsored 1 previous Biofuels: Science and Sustainability Tour.

Ames Chamber of Commerce and Association Motor Club Marketing are sponsoring their first Biofuels: Science and Sustainability Tour.

Iowa Biotechnology Association has occasionally hosted congressional briefings, but this is their first Biofuels: Science and Sustainability Tour.

15. Briefly describe the educational activities performed by each sponsor (other than sponsoring congressional trips):

Iowa Renewable Fuels Association, Iowa Biodiesel Board, Renew Kansas, Renewable Fuels Nebraska, Iowa Biotechnology Association, and the North Dakota Ethanol Council host educational programs for their members and the public.

National Biodiesel Foundation develops and supports education and research projects consistent with the needs of the biodiesel industry.

Renewable Fuels Foundation develops ethanol curriculum and sponsors scholarships.

Iowa Corn Growers Association and Missouri Corn Growers conduct many activities to educate consumers and the public on corn issues.

Iowa Soybean Association and Kansas Soybean Association organizes many activities to educate consumers and the public on soybean issues.

Golden Grain Energy Energy participates in numerous industry events to educate the public, investors or policy makers about the issues facing renewable fuels. They also occasionally host plant tours for schools or the public.

Farm Credit Services of America conducts a community involvement program, which provides funding and resources to a variety of organizations that support agricultural causes. The program is focused on making a positive difference in the communities they serve.

Ames Chamber of Commerce conducts community outreach to businesses and people both in and outside of Ames to highlight the business and living environment provided by a city at the center of the high-tech ag world.

Association Motor Club Marketing participates in industry events and forums to discuss the safety, performance and reliability of using biofuels.

21. Describe how the daily expenses for lodging, meals, and other expenses provided to trip participants compares to the maximum per diem rates for official Federal Government travel:

The hotels for Tuesday and Wednesday night are at the government rate of \$91.

The hotel for Monday night is at the rate of \$127. It should be noted that we hold the Tour each year during the week of the Iowa State Fair. The Fair represents an unparalleled opportunity to view a number of renewable fuels and agricultural exhibits in one location and to discuss the latest trends, research and practices with industry experts and Iowa's highest elected officials. However, the Fair attracts a large number of visitors to the city and area hotels sell out and charge their highest rates of the year. In addition, between congressional staff, Administration participants, and a handful of sponsoring organization staff, the Tour requires a room block of 40+ rooms. The typical per diem rate listed for Des Moines does not take into account the Fair and, just as important, that securing a 40+ room block can be difficult with the typical hotels in Des Moines. IRFA searched extensively in the Des Moines area for an affordable room block on August 14th. The Prairie Meadows Hotel listed in Attachment G was the best deal we could find. While the rate is higher than normal due to the fair, we were only able to get this good of rate because we hold another event at the hotel each January so they were willing to give us a good deal (considering the fair).

The estimated food costs are below the government per diem.

Even with the challenges of the Monday night hotel due to the fair, <u>our estimated combined</u> lodging and meal expenses are below the government per diem for the duration of the Tour.
